Pinckney Area Businesses, Residents and Friends,

A spooky festival is in the making and we are looking to involve all those that love Pinckney, Halloween and family gatherings with the opportunity to present a fun filled "FREE to all Evening" at the 7th Annual Halloween Spooktacular. This extremely successful event is again being sponsored by the Pinckney Village DDA with the intent of transforming the quaint village into a Halloween Extravaganza.

Many businesses and individuals from the Pinckney, Hamburg and surrounding areas have again pledged their support and commitment with great enthusiasm. Participation has been pledged by area scouts, churches, sports teams and civil organizations.

A popular feature of the event is the Trunk or Treat line up of various decorated vehicles with characters in costume distributing candy. An excellent venue of participation for businesses or individuals, these spots fill quickly. Contact the Pinckney Halloween Spooktacular Committee to reserve a Trunk or Treat location.

We encourage all businesses in the DDA District to participate by decorating your store or office front for Halloween and distribute candy throughout the hours of the Spooktacular. All participants should be dressed in costume to complete the full effect.

Please join the Pinckney Village DDA in presenting our Children and Families with a Halloween Spooktacular they will not soon forget.

For information and participation please contact the Pinckney Halloween Spooktacular Committee at:
