

Village of Pinckney

220 S. Howell St.

T: 734.878.6206

Villageofpinckney.org

From the desk of Village President, Linda Lavey:

Village Happenings:

Amy Salowitz clerks her last meeting
(see her farewell note on the back)

Jill Chapman sworn in as clerk

Grandest Grand Marshall Michelle Brunner

Just a few notes from Cheerleader-in-Chief as we head into spring:

- Enduring thanks to Amy Salowitz for ten years' hard labor
- Welcome to Jill Chapman as our new clerk
- Treasurer/ZA Michelle Brunner was parade grand marshal!
- Welcome to Ray Prater as a full-time Police Officer

And a few notes on Village business:

- MDOT will be resurfacing Main Street, exact date TBA
- Construction will begin soon on the new pump station on South Howell Street. Sorry for the detours, but we need to keep everyone safe.
- The Mann Street reconstruction is out to bid, fingers crossed!

Remember to shop and dine at our local businesses: they invest in our community, too.

Questions? Comments? Write or call:

president@villageofpinckney.org, 734-476-6630 (leave a voicemail!)

April 1, May 6, June 3

Spring Cemetery Clean-up: April 13, 9-noon

Memorial Day Parade:
May 27

Art in the Park: June 1-2

Graduation: June 2

Inclement Weather Alerts

Livingston County 911 Central Dispatch will be testing the tornado sirens the First Saturday of each month at 12:00 P.M. from April to October. If there is inclement weather in the area at testing time the test will be cancelled.

Security Checks

Pinckney Police Department offers Security Checks for **Village Residents** who are going out of town for an extended period.

Officers will conduct a walk around of the outside of the home to check for any damage or illegal entry. Forms can be filled out at the Police Department,

Monday through Thursday from 8am-4pm.

*You will be asked to provide a local emergency contact and your vacation address.

**Don't Flush!
Rx Disposal
Available**

If you flush your unused or expired medication or crush it up and pour it down the drain, those chemicals will be leaked back into your drinking water and the environment. Always make sure to dispose of unwanted medication at your local pharmacy or the Village Police Department, which has a Big Red Barrel for medical waste disposal.

Some things to think about as we head into the warmer months:

*Grass clippings, dirt and debris are not good for the sewer system. Please use the Yard Waste program that is part of your refuse service. (For details visit the Village website: www.villageofpinckney.org)

*Never pour used oil or antifreeze into the storm drain or the street. This is not only detrimental to the nearby waterways but it is a violation of village ordinance punishable by fines.

*Use surfaces like wood, brick or gravel for decks & walkways, which allows rain to soak in and not run off.

*Conserve water every day. Take shorter showers, fix leaks & turn off the water when not in use.

As I look out the office window, I can see that spring is trying to make its move in the village. I will miss my office window and watching "my world" go by. I have really enjoyed my ten years working in the village. It has been an honor to meet the amazing people in this community that bring it to life! The lifers, the newbies, the volunteers, the movers and shakers, the pundits and the pals all made this the most amazing opportunity for me! Never a dull moment.

Thank you for welcoming this newcomer to Pinckney. I am proud to name this as the place we raised our family.

I am honored this week to witness the appointment of my successor, Jill Chapman. Village Council unanimously appointed Jill to the position of Village Clerk at their regularly scheduled meeting on Monday, March 11th. Congratulations Jill!

I have been training with Jill and I know she will be a great asset to the village team. Her kindness and welcoming smile will make you all feel comfortable with her immediately.

Stop by during regular business hours to say "hello" and meet Jill.

Until we meet again,

Amy Salowitz
Village Clerk, 2008-2019
