## Important Terms & Conditions

**Prices:** Market price fluctuations and occasional errors make it necessary for us to reserve the right to change prices without notice. All accounts must pay in U.S. dollars.

**Payment:** Net30 days from date of invoice. Interest at the rate of 1.5% per month will be charged on all accounts unpaid 30 days after invoice due date.

**Shipping:** Orders are shipped FOB USABlueBook, or factory, by the most efficient means available. Freight charges will be added to invoices for open account customers. Separate freight charges may apply if an order contains items which ship from multiple suppliers.

**Returned Goods:** Please contact Customer Service prior to returning merchandise for a Return Authorization number. Products without return authorization numbers, original serial number or other original markings may not be returned, exchanged or warranted. To ensure full credit, please return all accessories. After 30 days, items are not returnable except for repair or replacement per the manufacturer's warranty policy. Special order items and hazardous materials are not returnable.

**Damage Claims:** We take great care in filling, checking and packing your order. On rare occasions, a package is damaged or lost in transit. If damage is evident, refuse the shipment. If damage was concealed, call us for a Return Authorization #. If shipped via truck, state shortage or damage on bill of lading, then call Customer Service.

**Quotations:** All prices normally expire 30 days from date of quote and USABlueBook reserves the right of final acceptance. Prices quoted do not include taxes.

**International Orders:** Pro forma invoices are sent on request. We accept certified checks, wire transfers of funds or irrevocable letters of credit. Send all inquiries to the attention of Export Department, USABlueBook. Standard export quotation pricing in U.S. dollars is FOB plant/factory or FOB USABlueBook, or factory, if applicable. Cost and Freight (C&F) and Cost Insurance Freight (CIF) quotations will be offered on request. International orders requiring special handling, packaging, consular invoices, certificates of origin, inspection certificates, etc. are subject to additional charges.

**O.S.H.A.:** All items shown as meeting specific Federal Occupational Safety and Health Act (OSHA) standards are, to the best of our knowledge, identified by their suppliers as complying with OSHA design standards. In view of the fact that the actual use determines whether all OSHA requirements have been met, the ultimate responsibility to comply rests with our customers.

**Professional Use Only:** The items in this catalog are intended to be used only by professionals in the water and wastewater industry. Supplemental training, permits, or licenses may be needed to use items in this catalog. Many items in this catalog can be harmful if used improperly; if in doubt, do not use them. Before using, the user must determine the suitability of the product for its intended use, and the user assumes all risk in connection therewith.
