Reason for Request/ Basis of appeal or special conditions existing where a literal enforcement of the provisions of the Zoning Ordinance would involve practical difficulties or cause unnecessary hardship or practical difficulty:

\_\_\_\_\_  
\_\_\_\_\_

Please explain how the project meets each of the following standards:

a) The alleged practical difficulties, hardships or both, are exceptional and peculiar to the subject property or intended use of the property, that do not apply generally to other properties or class of uses in the same district: \_\_\_\_\_

b) Failure to grant the variance will deprive the property owner of his/her reasonable use as enjoyed by other property owners in the same district and vicinity. This shall include substantially more than mere inconvenience and/or inability to attain a higher financial return: \_\_\_\_\_

c) Allowing the variance will result in substantial justice being done, and considers the public benefits intended by the ordinance, the individual hardships that will be suffered by failure to grant the variance and the rights of others whose property would be affected by approval of the variance: \_\_\_\_\_

d) The variance will be consistent with the purpose and intent of the ordinance, will not adversely affect the purpose or objectives of the master plan of the village, will not be contrary to the public interest, will not injure the public or private rights of others and will not diminish the value of surrounding properties: \_\_\_\_\_

e) The conditions and circumstances on which the variance request is based have not been self-created by the applicant or predecessors in title: \_\_\_\_\_

f) The variance will not constitute a special privilege inconsistent with the limitations upon other properties in the vicinity and the same zoning district, and shall be the minimum variance that will make possible a reasonable use of the land or structure: \_\_\_\_\_

- I understand that there will be a public hearing on this item and that either the property owner or appellants shall be in attendance at that hearing.
- I understand that a Land Use Permit is required prior to construction if a variance is granted.
