Hi Jeff!

Attached are the meeting minutes for both the PC and DDA for January 6, 2025.

I say the following with a heavy heart...While I fully support the new leadership and direction of the Village Council, Planning Commission, and Downtown Development Authority, the recent expansion of my business needs my full attention. This is a long awaited growth opportunity for me and I look forward to embracing my goals in 2025 and beyond. I hope you and the other board members can understand and support me as I move forward. Below is my formal resignation letter to Chairperson Kraut. Since I do not have her email, can you forward to her on my behalf?

Deb~

Dear Chairperson Kraut,

Please accept this letter as formal notification of my resignation from the Pinckney Planning Commission and Downtown Development Authority, effective January 20, 2025.

I have greatly appreciated the opportunity to serve on both boards and contribute to the community's development plans. However, due to the recent expansion of my personal business and the need for me to focus my time and energy on its growth, I must step down at this time.

I am happy to assist in any way necessary to ensure a smooth transition during this period.

Thank you for your understanding and continued support.

Sincerely,

Deborah Grischke
