Re: McFarland's Tree Service Commercial Approach, Putnam Township, Section 23
LCRC# C-23-08

Dear Shane and Angela:

I have completed the review of the construction plans, dated April 20, 2023, for the above-referenced project, located off Dexter Pinckney Road south of M-36, and offer the following comments.

1. A contractor will need to be selected and the selected contractor must submit a certificate of insurance to the LCRC with the following language: "The Board of Livingston County Road Commissioners, the Livingston County Road Commission, and their officers, agents, and employees are listed additional insured parties with respects to General Liability." Please note this is not required for plan approval.
2. The attached red lined plans contain our comments.

Please email the revised plans to khill@livingstonroads.org for review. If you have any questions, please do not hesitate to contact me.

Sincerely,

Kim Hiller, P.E.
Utilities and Permits Engineer
