

July 17, 2026

To: Village of Pinckney DDA Board of Directors & Village Leadership

From: Jo Self

Subject: Resignation from DDA Position

Dear Members of the Board and Village Leadership,

Please accept this letter as formal notification of my resignation from my position as Economic Development Coordinator / Community Liaison with the Pinckney Downtown Development Authority, effective July 25, 2026

In light of my role as the Economic Development Manager for Livingston County, stepping down from my paid position with the DDA is the most appropriate step to ensure clear organizational alignment and avoid any potential conflicts of interest.

Moving forward, I remain fully committed to the economic health and solvency of the Village of Pinckney. In my countywide capacity, I will continue to support Pinckney's local business attraction, corridor revitalization, and long-term economic strategy. Transitioning these efforts under the broader Livingston County economic framework allows the Village to continue benefiting from these services without duplicating administrative functions or local payroll costs.

I am proud of the progress we have made together to attract investment to our community, and I look forward to continuing that momentum from the county level. I wish the DDA and the Village continued success.

Sincerely,

Jo Self

Economic Development Manager, Livingston County

Accepted:
April R. Zapp
DDA Chairperson
