Jeffrey M. Newton, Chief of Police

Monthly Report to Village Council March 2022

We had the St Patrick's day parade in the cold rain but it went well. We are finally back to civic events happening in the Village. Ofc Finke has returned from Kuwait and will resume his patrol duties on May 1.

There has been additional training for officers this month. Ofc Sloat attended basic detective school. Sgt Trenkle and Inv Hamlin attended the LEIN TAC update training. Ofc Garrison attended the MACP New Chief's school and the MiCIMS training put on by Livingston County Emergency Management.

Listed below is a breakdown of the activity conducted by the members of the Pinckney Police Department during the month of March 2022.

	<u>March 2022</u>	<u>YTD</u>
I. <u>Calls for Service:</u>	364	1148

Memo

To: President Foster & Council Members
From: Julie Durkin, Zoning Administrator
Date: April 7, 2022
Re: Zoning Administrator's Report

Miscellaneous:

- The following permits have been issued since the last report:
 - Charter Communications has received two (2) right-of-way permits for installation of new lines.
 - A sign permit has been issued for Tubby's signage at the BP at Main & Dexter.
 - Waiver for re-roof
 - 2 Land Use Permits – deck/shed
 - Land Use Permit for partial demo to bring a dangerous building into compliance (221 W. Main)

Code Enforcement:

- As noted above, the partial demolition permit for 221 W. Main is to remove the dilapidated deck & balcony from the rear of the building and remedy the notice of dangerous building. The structure on the back of the building has been removed with just the clean-up remaining.
- A second civil infraction has been issued for code violations for the parcel next to the Village Cemetery. I have attempted to work with the individuals since the first notice of violation in November, yet they still have not reached compliance and have many outstanding issues.
- As the warmer weather is fast approaching, I will be working with other property owners as issues arise to bring properties into compliance and eliminate blight. There are individuals that have been put on notice.
- Collection Bin Ordinance: The new collection bin ordinance took effect on April 3rd after publication. I will be contacting both the bin operators and the property owners of the new requirements. The new ordinance reads: "All collection bins existing at the effective date of the article shall apply for a permit as required herein within thirty (30) days of the effective date. Any collection bins not in compliance with this ordinance after ninety (90) days of the effective date shall be subject to all remedies for violation as provided herein." As Attorney Stoker pointed out, the Post Office, being a federal facility, is exempt from local zoning ordinances. I am hopeful that I can work with the bin operators and local staff at the post office to bring that site into compliance.

Planning Commission:

- Tru-fit – 140 W. Main Street: A Pre-Planning Meeting was held on March 29th to discuss the plans for Tru-fit at the old manufacturing building next to Aunt Betty's Restaurant. I expect to have their preliminary site plan for the May Planning Commission meeting. They are hoping to move through the process as quickly as possible. Some coordination may be needed with the anticipated N. Howell Street improvements.
- Annual Report to Council: At their April 4th meeting, the Commission approved their Annual Report to Council as required by their by-laws. They are hoping that we can schedule a joint meeting with Council to discuss possible ordinance amendments and receive direction from Council. The intent is to provide the annual report at that meeting.

DDA:

- **EV Charging Stations:** The DDA Board has selected/approved the location for the installation of two, dual port stations (4 spaces) in the DDA parking lot behind the community gardens. They have also chosen the Chargepoint Level 2 Commercial Charging Stations as the unit to move forward with to pursue pricing and installation. Unfortunately, at this point, rebates from DTE are not available. We will be notified if funding becomes available again.
- **DDA Newsletter:** The DDA has approved a Spring Newsletter to be sent to all businesses and property owners within the DDA. The hope is to keep everyone informed of what is happening in town including the construction, events, etc. and encourage participation in not only these events but also to get involved with the DDA about projects that affect their business and the community. Now that spring is finally here, we also wanted to encourage the use of the Façade Improvement grant funds that are available to encourage visual improvements downtown.
