Subject: Fw: FEMA Approval of Livingston County Hazard Mitigation Plan

Rebecca,

Please take a moment to look at Therese's email below. I recommend that we adopt the plan via resolution. T's email explains the process and has a link to the plan. let me know if you have any questions.

Subject: FEMA Approval of Livingston County Hazard Mitigation Plan

Hello

The Livingston County Hazard Mitigation Plan was approved by FEMA on 4-4-2022. The plan will not expire until 2027.

Livingston County Emergency Management would like to give your jurisdiction the opportunity to adopt the Livingston County Hazard Mitigation Plan. **There is no monetary cost to your jurisdiction, but it makes your jurisdiction eligible to put in for Federal Grant funding under the following grant programs: Hazard Mitigation, Flood Mitigation, or Building Resilient Infrastructure and Communities (BRIC)**

To adopt the county's Hazard Mitigation Plan, you need a resolution by your jurisdiction's board to adopt the current plan; **Livingston County Hazard Mitigation Plan 2022-2027**

Send me the approved and signed resolution (electronic copy & signature is fine)

I then forward the document to the State of Michigan and FEMA. FEMA will approve and recognize your jurisdiction and send a document that confirms their approval. This makes your jurisdiction eligible for the above mentioned grant funding opportunities. **I will then send you the FEMA documentation for your records.**

Every jurisdiction in the county adopted the 2017 Hazard Mitigation Plan. All were recognized by FEMA. All were eligible to apply for Hazard Mitigation Grant funding. We hope to repeat that with this Hazard Mitigation Plan.

Go to the below web link and scroll down. It is the plan with the daffodils on the cover.

Please contact me with any questions you have. I am happy to assist you whatever way possible.

Best

Therese

Therese Cremonte P.E.M.

**RESOLUTION TO APPROVE THE
LIVINGSTON COUNTY HAZARD MITIGATION PLAN**

At the regular meeting of the Village Council, Village of Pinckney, Livingston County, Michigan, held at the Village Hall in said Village on the 13th day of June 2022.

The following Resolution was offered by _____

and Seconded by _____

WHEREAS; the Livingston County Emergency Management Department is hereby requesting The Village of Pinckney, as a local unit of government, to formally adopt the required Hazard Mitigation Plan, and;

WHEREAS; the Livingston County Emergency Management Department in conjunction with the Livingston County Planning Department has compiled and developed a Hazard Mitigation Plan unique to Livingston County, and;

WHEREAS; the Michigan State Police Emergency Management and Homeland Security Division has reviewed and approved the plan, and the FEMA subject matter expert has reviewed and accepted the plan with a letter of initial approval, and:

WHEREAS: the formal approval of this Plan is contingent upon the adoption by the Livingston County Board of Commissioners and Village of Pinckney as a participation jurisdiction.

WHEREAS: the Livingston County Board of Commissioners adopted and approved the Livingston County Hazard Mitigation Plan dated and sealed April 4, 2022.

THEREFORE, BE IT RESOLVED that the Pinckney Village Council hereby approves the Hazard Mitigation Plan developed by Livingston County.

ADOPTED:
