(1) *General Requirements.* No ADU shall be established prior to the issuance of a land use permit for the ADU. The Zoning Administrator shall be the approving body for all ADUs.

The following regulations shall apply to all accessory dwelling units whether on conforming or non-conforming lots:

(b) The accessory dwelling unit shall be a maximum of forty (40) percent of the gross floor area of the principal structure, not to exceed 600 square feet.

(c) An ADU shall be established only on a lot owned by the occupant of the principal dwelling though upon construction of the ADU, the lot owner shall reside in the principal dwelling or the ADU.

(d) The accessory dwelling unit shall have a maximum of two (2) bedrooms.

(e) The occupancy of the accessory dwelling unit shall be no more than two (2) persons.

(f) Access to an attached accessory dwelling unit shall be limited to a common entrance foyer or exterior entrance to be located on the side or rear of the building.

(g) The principal residence and the accessory dwelling unit shall share the same vehicular access to the property.

(h) The number of off-street parking spaces for the accessory dwelling unit shall be not less than one (1) and shall not block the required parking for the main residence.

(i) All zoning district bulk and setback requirements shall apply to the site (Section 152.044).

(l) No lot shall have more than one (1) ADU on such lot and the lot shall maintain one (1) mailing address that shall service the ADU and principal dwelling.

(m) An ADU, and modifications to the principal dwelling to accommodate an ADU shall be of similar or better workmanship as the principal dwelling, shall not detract from the appearance of the lot as a place of one (1) residence and shall be aesthetically compatible in appearance with other single-family dwellings in the immediate area based on architectural design and exterior materials.
