LIVINGSTON COUNTY 911

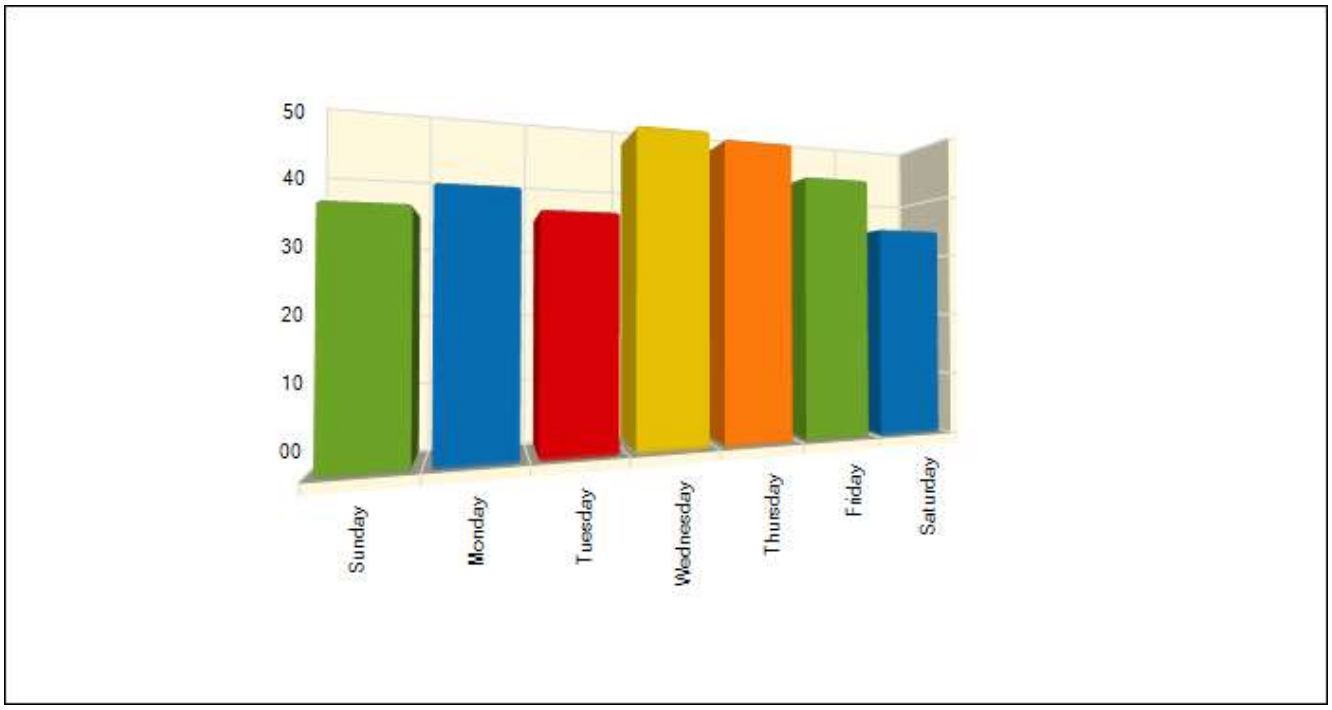
Calls For Service by Day of Week

Agency: PIPD Date: 3/1/2023 - 3/31/2023



Memo

To: President Lavey & Council Members
From: Julie Durkin, Zoning Administrator
Date: April 6, 2023
Re: Zoning Administrator's Report

Permits & Code Enforcement: Spring is finally upon us and we should be seeing an increased number of land use permits for various types of projects. Likewise, now that the weather is getting better, I do expect code enforcement to become a higher priority. Since my last report, the following requests have been made:

* 3 Land Use Permits – New Garage, replace/expand deck, basement stabilization
* 1 Sign Permit – Taco Bell (refacing – no expansion)
* 1 Request for Technical Standards Waiver (driveway & sidewalk on Depot Street where the property is currently surrounded on all sides by undeveloped road)

Planning Commission: Due to lack of agenda items, there was no Planning Commission Meeting held for April. A rough draft of proposed changes to the sign ordinance was distributed to the Commission members and discussion will begin at our next meeting.

DDA:

- Community Garden: Some clarification was requested by those individuals involved with the coordination efforts regarding the continuation of the activities on the DDA owned lot, funding, guidelines, etc. A lengthy discussion was held at the April 3rd meeting and the Board approved the expenditure of funds for new beds for the 2023 growing season and authorized me to draft a Community Garden policy to be presented for adoption at the next meeting.
- EV/Parking Signage: The installation of the EV charging stations is complete. Although they are now live, we do have to do some price adjusting to ensure that we are not over/under charging users. I will be meeting representatives next week for proper training, etc. We also need to provide proper signage directing and informing people of them. The Board approved a concept design of these directional signs that mimic the light poles downtown and has a similar feel to the gateway sign. We are looking at three (3) locations at the corners of M-36 & Howell Street, Howell Street and Livingston and M-36 and Marion and one (1) of the single-sided at the location of the chargers themselves. We are awaiting the necessary quotes for approval.
- Downtown light pole banners: As you drive through town, you can see a variety of banners in various colors including several variations of the Pinckney Pirate. Many of the banners have faded and look worn. The Board will be looking at a spring/summer design while still incorporating some of the Pirate banners. The intent then would be to budget a fall/winter set in the upcoming budget.
- Downtown Bench & Planter Painting: The Board has approved the expenditure for sandblasting and powder coating all of the benches and planters downtown in an amount not to exceed $9,500. Funds were budgeted, but most likely will require an amendment to accomplish all of the pieces.
- DDA Spring Newsletter: The newsletter was mailed to the business and property owners on April 6th. (See attached)

VILLAGE OF PINCKNEY
DOWNTOWN DEVELOPMENT AUTHORITY

220 S. HOWELL STREET, PINCKNEY, MICHIGAN 48169 * www.villageofpinckney.org/DDA

$ Free Money $

Take Advantage of this Opportunity

Our Building Improvement Rebate Program has not been used for a number of years. It is offered to provide property and business owners a way to afford visual improvements to existing commercial building facades, signs, and awnings to enhance the businesses in the Pinckney DDA District. This would not include interior improvements.

This is a great opportunity to work with your landlord or neighbor business to paint or otherwise improve your building, freshen up your signage or make other improvements.

The Program will provide cash rebates of up to 40% of the total cost of the project for materials up to a maximum of $3,000. Information is available on our website at villageofpinckney.org/dda/ or email Julie at dda@villageofpinckney.org.

DOWNTOWN EVENTS

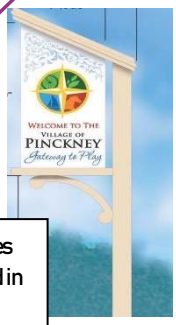
May 29th	Memorial Day Parade
June 3rd	Art in the Park
June 4th	Art in the Park
June 30th	Food Truck Friday
July 21st	Food Truck Friday
August 18th	Food Truck Friday

Thursdays in July/August Hootin' In the Park (Concerts)

ELECTRIC VEHCILE CHARGING STATIONS

Coming this Spring!

What a great thing for our community and a terrific draw for your business. Individuals will be able to charge their electric cars while shopping and dining in downtown Pinckney. There will be two, dual port charging stations capable of charging four vehicles at the same time. They will be located in the northwest corner of the DDA parking lot directly behind the community garden. Please encourage your patrons to use the stations (when complete) and feel free to use this as a way to promote your business and our community. We will keep you informed of the progress!



New signage to be installed at the entrances of our DDA. The first one has been installed in front of Pinckney-Chrysler replacing the existing "Welcome to Pinckney" sign.

WE CAN'T DO IT WITHOUT YOU

"Growth is never by mere chance; it is the result of forces working together."

James Cash Penney

Please let the DDA Board know what they can do for you. They meet the **first Monday of every month at 7:00 p.m.** (with the exception of holidays). Everyone is invited to attend these meetings and become involved in the process. If you are interested in serving on this board or a sub-committee, an application can be found on the Village website www.villageofpinckney.org.

Downtown Pinckney Happenings

Mark your calendar & be a part of the action

Use these opportunities to promote your business. Hundreds of people come to our community to share in these events. Stay open late, offer specials, pass out free samples, coupons or other advertisements. Let your DDA Board know how they can help you & your business.

Local events matter for small businesses in a huge way. The more often you attend and participate in these events, the better known you become to the people who live and work in the community!! Customers will often show loyalty to businesses that care about the town they serve.

Assembly Location:
Lakeland Trail Depot Lot
(Pearl St & Hamburg St.)
Starting AT 11:00 a.m.
Step off at 1:00 p.m

PARKING: The first rule of a successful business is an easy-to-reach location. But convenient parking is just as crucial. A convenient location with insufficient parking makes it difficult for customers to visit. "You never get a second chance to make a great first impression" and a poor parking experience can make a customer frustrated and hesitant to return. A so-so location with really good, ample parking can often generate more sales than a good location site with poor parking. **Please be mindful and save the on-street parking for customers.** There are other close options available to you and your employees.

N. HOWELL STREET CONSTRUCTION

Staff is currently working with the contractor for an estimated time frame for the N. Howell Street construction project (which was originally set for the summer of last year) and will attempt to limit the impact on activities planned downtown throughout the summer months. The project will include sanitary and storm sewer work, pavement and concrete work on both sidewalks and driveway approaches. Street and parking lot access will be limited and/or not available during this period in the construction zones. **Businesses in this area will be able to remain open during this time & we will do everything possible to minimize the impact on your property and/or business.** We will keep everyone updated when a more solid schedule is available.

WELCOME TO OUR NEW BUSINESSES

Bark Art Creations

In October 2022 Leah Barkoff Opened Bark Art Creations at 125 N. Pearl Street. She provides artisans and craftsmen a place to sell their hand-crafted items as well as her own unique, one-of-a-kind creations with resin. She also hosts various classes on different art forms including, resin, sweets, etc.

Earth's Energy

Coffee & Cool Stones……In January of this year Tami Rogers & Tristan Spindler opened Earth's Energy at 153 E. Main Street. They offer specialty coffees along with crystals, stones and unique gifts.

Resources for Small Business

Michigan Economic Development Corporation helps to connect businesses to new resources, meet new partners and access the additional capital they need from the start. If your business needs support to reach its full potential, the MEDC is available to help. Visit michiganbusiness.org/small-business to find customized business assistance.
