

**Cannabis Committee Meeting**  
**Tuesday, September 7, 2023**  
**Minutes**

Present: Jeffrey Buerman, Jill Chapman, Julie Durkin, and Brian Matson

Meeting began at 4:00 p.m.

Committee members discussed the two microbusiness licenses currently held by the Village. It was agreed that the licenses be divided into one microbusiness license and one Class A microbusiness license, which is a new type of marihuana establishment allowing for additional plants and the ability to purchase and transfer certain products.

The current Pinckney Marihuana Establishments Ordinance will have to be amended, as it does not address Class A microbusinesses.

Meeting ended at 4:13 p.m.
