Jeffrey Garrison, Chief of Police

Monthly Report to Village Council August 2023

Listed below is a breakdown of the activity conducted by the members of the Pinckney Police Department during the month of August 2023.

During the month, officers performed 31 Subdivision Patrols, 3 Welfare checks, 37 Building/Area checks, and 26 assists to other agencies.

We have continued training in subject control and de-escalation techniques with the Livingston County Training Consortium. We have initiated an employee wellness program using an “app” based provider. This is available to all employees of the Village as well as their families and retirees.

	<u>August 2023</u>	<u>YTD</u>
I. <u>Calls for Service:</u>	282	2,643
II. <u>Adult Arrests:</u>		
a. Felony Arrests	0	2
b. Domestic Violence	0	2

LIVINGSTON COUNTY 911

Calls For Service by Day of Week

Date: 8/1/2023 - 8/31/2023

Memo

To: President Lavey & Council Members
From: Julie Durkin, Zoning Administrator
Date: September 7, 2023
Re: Zoning Administrator's Report

Permits & Code Enforcement: Please note the following since my last report:

- * 1 Land Use Permit was issued - fence
- * 53 Waivers were issued – most were for re-roof due to the hail storm we experienced
- * 1 ROW Permits issued – new DTE pole

Planning Commission:

- **Changes to the Sign Ordinance:** At their September 6th meeting, the Planning Commission held a public hearing to receive public input on the proposed amendments to the Sign Ordinance that have been developed and discussed over the last several months. Village Attorney Stoker provided a legal opinion regarding the proposed temporary sign section. After review and discussion, the Commission recommended to Village Council approval of the amendments as written.
- **Final Site Plan Review – Lakeland Knoll:** Per Section 152.351 (L)(1), the Planning Commission held a public hearing to receive input from the public on the final site plan of the Lakeland Knoll Open Space Development. After the approval of the Waiver of Tech Standards by Council at their last meeting, allowing the development of 27' roads as opposed to the required 31' roads, the applicant submitted a revised plan incorporating those as well as other changes as required by staff and consultants. Given the timing of the submittal, additional time is required for proper and thorough review. Consideration of the recommendation to Council of the site plan was tabled until the October meeting.
- **Kril – Reversion of zoning based on Conditional Re-zoning Agreement:** At the request of Council, the Planning Commission began the process to revert the zoning of 450 N. Howell back to the R-4 zoning based on the expiration of Special Land Use, site plan and ultimately the agreement for conditional zoning. I have reached out to Mr. Kril to inquire if he has a desire to make a request for a new agreement with the Village to maintain the SBD zoning (essentially re-doing what took place in 2018). He would then need to apply for new approvals of the special land use and site plan. This could be considered at the public hearing that has been set for the October 2nd meeting. He does need to initiate the process, but as of this writing I have not received a response from Mr. Kril.

DDA:

- **N. Howell/E. Main Sidewalk, Ramp & Railing Improvements:** We have received information from the Village Engineer that the existing sidewalk, ramp and railings at the northeast quadrant of N. Howell Street and E. Main is in need of repair/replacement. He further pointed out that the northeast sidewalk crossing does not meet ADA requirements. If we proceed with the repair/replacement as part of the current project, we will be looking at a cost in excess of \$30,000. This would only address the damage to the existing area. It is possible that this area would have to be re-done in order to comply with ADA requirements. Rather than take that risk, the DDA Board has authorized Wolverine to conduct a comprehensive investigation to identify the areas that require modification and develop full plans, etc. to bring the entire area up to current requirements. The cost of the work was authorized in an amount not to exceed \$6,500. It should be noted that the other three quadrants at this intersection meet requirements.
- **Part-time Seasonal Employee:** At their August meeting, the DDA Board authorized the hiring of a part-time seasonal employee to help with garden maintenance and other landscape duties downtown. The position has been filled and he has been working under the direction of Dustin Moma 3 hours per day 4 days per week.
