### Monthly Report to Village Council September 2023

Listed below is a breakdown of the activity conducted by the members of the Pinckney Police Department during the month of September 2023.

During the month, officers performed 29 Subdivision Patrols, 3 Welfare checks, 23 Building/Area checks, and 27 assists to other agencies.

We have continued training in subject control and de-escalation techniques with the Livingston County Training Consortium.

Homecoming Parade and Art As Healing were at the end of the month and went very well.

A four month examination of calls by the day of the week show a trend of Wed-Friday being the busiest days of the week.

# Memo

**To:** President Lavey & Council Members  
**From:** Julie Durkin, Zoning Administrator  
**Date:** October 5, 2023  
**Re:** Zoning Administrator's Report

---

**Permits & Code Enforcement:** Please note the following since my last report:

- \* 2 Land Use Permits were issued – fence & generator
- \* 35 Waivers were issued – most were for re-roof due to the hail storm we experienced
- \* 3 ROW Permits issued – Driveways

**Planning Commission:**

- BTC 475 Pinckney, LLC (Kril) – Request for Conditional Rezoning: Per the request by Village Council to begin the process to revert 450 N. Howell back to the original R4 zoning district based on non-compliance of the 2018 conditional rezoning agreement, the Commission scheduled and held a public hearing on October 2<sup>nd</sup>. At the same time, Mr. Kril of BTC 475 Pinckney, made application for the SBD zoning and new agreement to continue with his plans for an indoor/outdoor recreation facility. The Commission has recommended to the Village Council they enter into an agreement with BTC 475 Pinckney, LLC for the conditional rezoning from R4 to SBD with Mr. Kril's voluntary conditions. Depending upon Council action, Mr. Kril will need to go through the special land use and site plan process again.
- Final Site Plan Review – Lakeland Knoll - Project Update: On 8/30/23, we received a revised site plan submittal from the applicant taking into account the waiver of Technical Standards as approved by Council. Although the Village Engineer has moved some of his comments to be addressed during the construction plan review, there are still significant issues that need to be addressed and revised plans submitted. A meeting is scheduled for Monday, October 9<sup>th</sup> with Mr. Blau, village staff and consultants to review these outstanding issues. The Commission received an update at their last meeting and tabled consideration until their November meeting.
- An application has been submitted for Special Land Use Permit to operate a child care facility in the People's Congregational Church at 125 E. Unadilla. A public hearing will be held on November 6, 2023.

**DDA:**

- At their October 2<sup>nd</sup> meeting, the DDA authorized the expenditure of \$675 for the Spooktacular event scheduled for October 28<sup>th</sup> per the request of the sponsor, M36 Rotary.
- Again this year, the DDA Board has contracted with Santa's Light Crew for installation of the holiday garland & lights. Last year we purchased and installed material to decorate 60 light poles along the streets within the DDA. This year, the Board authorized an additional 20 poles to expand what we started last season.
- The DDA Fall/Winter Newsletter was sent out by both email and through the post office to business and property owners within the DDA on October 5<sup>th</sup> (attached).

**Other Business:**

- Updated website information: Recently, we have made some changes to the village website:
  - \* Site Plan Review: On the zoning page, a lot of information has been added to assist potential developers find the necessary information and understand the process for site plan, special land use and other planning functions as well as provide flowcharts, links to pertinent sections of the Zoning Ordinance, links to specific applications, etc. <https://villageofpinckney.org/zoning-planning/>
  - \* Boards and Commissions: A new page has been added to provide an overview of the duties, expectations, etc. of board and commission members for not only potential applicants, but also serves as training, and refresher for current members by providing handbooks, fact sheets, current bylaws, goals, plans and other resources and reference material. <https://villageofpinckney.org/get-involved/>

## DOWNTOWN DEVELOPMENT AUTHORITY

220 S. HOWELL STREET, PINCKNEY, MICHIGAN 48169 \* [www.villageofpinckney.org/DDA](http://www.villageofpinckney.org/DDA)

### CONSTRUCTION...

### CONSTRUCTION...

As everyone is aware by now, construction has begun for the North Howell Street project. With the cooperation from your neighbors, we have attempted to provide some parking solutions during this difficult time to impact your business as little as possible. Construction is projected to last six weeks.

**THANK YOU TO EVERYONE FOR YOUR  
COOPERATION & PATIENCE!!**

**SUCCESS IS BEST WHEN IT'S SHARED!**

*Howard Schultz, former CEO of Starbucks*

The success of any organization is ensuring that all of the pieces of the puzzle fit into place. Independently, a piece is just a piece. Working together, we can see a much better picture. A successful downtown is no exception. Each business, organization, board, commission and council need to support one another. What can we do to further our efforts?

- Partner with another local business for an event or promotion. Instead of viewing other small businesses in your area as the competition, reach across the aisle to form relationships with them. These connections can lead to mutual benefit. Let fellow business owners know that they are not alone.
- Buy supplies, dine, use services from your partners in town.
- Be a part of community events taking place. These events bring hundreds of people to our community. Let's show them what we have to offer here in Pinckney!
- Tell the community leaders what you would like to see & how they can help. It's too easy to sit on the sidelines. Attend a meeting – these individuals are community members and want to see our downtown businesses thrive!
- "Pirate Pride" is alive and well in Pinckney. Decorate for school events, participate in parades sponsor local teams. People will remember and show their loyalty.

**Let's make progress – We are all on this journey together!**

### EMAIL LIST

The best way to communicate, of course, is face to face. But, as many of us know, running a business takes a lot of time, and face to face is not always possible. Technology is sometimes our best friend, and email is the fastest way to reach out to people. The DDA would like to have the most up-to-date email addresses for members of our business community. Please take a moment to email [dda@villageofpinckney.org](mailto:dda@villageofpinckney.org) so that we have current information. This will allow us opportunity to inform everyone of news, upcoming events, construction, etc. If you are interested in getting a copy, we would be happy to share the information so that everyone can keep in touch.

## CHRISTMAS TREE TRAIL

We are looking for area businesses or families to purchase a live Christmas tree for \$60 to decorate and place in the park. You choose the theme and supply the lights/decorations. These will officially light up during our event and stay lit all through the holiday season!

Tree decorating and placement will take place the weekend prior to Light up the Park Pinckney (November 18/19)

To reserve your tree please email: [lutppinckney@gmail.com](mailto:lutppinckney@gmail.com) or comment below and we will reach out

## Light Up the Park is back for 2023 November 26<sup>th</sup> 5-7 pm

- Pictures with Santa and Mrs. Claus courtesy of Rick Beaudin "The Pinckney Pirate"
- Wagon and horse ride around the square thanks to PPHH Chamber.
- Pony rides on the grass led by horse trainer from Hell Creek Equestrian Center.
- Make and take table with Bark Art Creations and Painting in Hell.
- Downtown business cookie crawl!
- Decorated Christmas tree trail provided by local businesses and families.
- Santa mailbox in the gazebo that will be checked and letters answered up to December 20th provided by Hamlett Lavender Farm.

Thank you to M-36 Rotary and Huron River Women in Business for being the bulk of the planning committee!!

### A few things to consider to get more customers

**Partner with complementary businesses.** Team up with businesses that have a similar customer base, but aren't directly competitive, and strategize how you can target each other's customers to drive new business to each other.

**Participate in community events.** Most people like to support independent businesses in their communities. Raise your profile in your community by taking part in community events and organizations, organize a holiday "toys for kids" donation, etc. It gets your name out there, which helps bring in new customers.

**Ask for referrals.** Referrals are one of the best ways to get new customers. Try implementing a system for actively soliciting referrals from your satisfied customers.

**Offer discounts and incentives for new customers only.** Introductory offers can lure curious customers in your door by providing a low-risk way to try your products or services.

Does your small business need assistance or support? Here is a resource that may help:

- Michigan Economic Development Corporation: <https://www.michiganbusiness.org/> Check out their Programs & Services – You don't have to be big business to get support.

### SNOW REMOVAL – LET'S WORK TOGETHER

Don't forget to clear the sidewalks of snow and ice – help get your customers to your business safely. Our DPW crew's first priority is to clear our local streets, Village parking lots and sidewalks for our residents and their safety. When time permits, the crew will gladly help clear paths to the on-street parking as snow is piled on the curb along the road.
