RE: Prequalification status for your pending application

Dear Applicant:

The Cannabis Regulatory Agency (Agency) considered your partial application for prequalification status and determined that you have prequalification status pursuant to the licensing provisions of the Michigan Regulation and Taxation of Marihuana Act (MRTMA) and associated rules. This letter may be provided to a municipality as documentation of your prequalification status. Please note that this is a pending status until all application requirements of the MRTMA and associated rules are completed. A state license for a marihuana establishment cannot be issued at this stage of the application process. During complete application review, the Agency will consider all information relevant to eligibility including information that has been newly acquired or information that is newly apparent since determination of prequalification status.

If you have not already done so, please submit a marijuana establishment license application (Step 2) for each state license for which you wish to apply. You may submit an application online through the Accela Citizen Access Portal on the Agency website at www.michigan.gov/cra or your application may be submitted by mail or in person as follows:
