Permits & Code Enforcement: Please note the following since my last report:

- * 2 permits were issued for the conversion from office to apartments above 107/109 E. Main including deck & 1 permit for full house generator
- * 7 Waivers were issued – roof/siding/gutters

I am still working on bringing the temporary signage into compliance throughout the business district. I have received cooperation from all that I have spoken to.

Planning Commission:

The March 4th Planning Commission & DDA meetings were canceled due to lack of business.

Updates:

1. Preliminary Site Plan Review – Essence: (Northville Services & Holdings LLC): A meeting was held today (3/7) with staff, engineer and planner to assist the applicant in providing all required information for preliminary approval. They will be submitting a master plan for the overall use of the site including the marihuana microbusiness.
2. McFarland's Tree Service – 425 Dexter: We have received the revised plans which meet the contingencies of the Planning Commission. We are waiting for the Performance Guarantee and the final Stormwater Maintenance Agreement before the project can move forward.
