PUTNAM TOWNSHIP / PINCKNEY

Spring Clean-Up Days

April 27 & 28 (times?)

Looking for an opportunity to help support your community? Putnam Township and the Village of Pinckney are hosting Spring Clean-Up Days and we'd love your help.

In fact, we can't do it without you!

Here's how you can help!

We need volunteers that will adopt portions of roads and neighborhoods in the Township and Village for roadside debris and trash pick up. We'll put five people on a team and will be providing clean-up kits which will include bags, gloves, vests and trash grabbers.

We will also be providing roll-off dumpsters, placed at the DPW yard, located at the corner for Patterson Lake Road and Howell Street. We'll be accepting household junk like old furniture, (need list of what can be dropped off) and will need volunteers to oversee the dumpsters, to prevent dumping of prohibited items.

We'll be posting more information on our website as it becomes available. Or you can contact the Putnam Township Hall.
