Having been an active member of our community for 15 years as a fitness coach, 6 years as a business owner, 2 years as a property owner and 3 years in property development, I take immense pride in the success of our community. Throughout my tenure as a business owner, I have garnered a profound understanding of the economic, social, and environmental factors pivotal to the vitality of local communities. My involvement in various projects aimed at the development of properties underscores my commitment to fostering a thriving downtown community.

The Downtown Development Authority's mission to enhance the economic prosperity and quality of life in our downtown area resonates deeply with me.
