Dear Village Council,

This is a written notice to ask for an extension on our site plan for the property at 140 West Main St, Pinckney, MI 48169. Even though construction has not begun we have received our LOI from the MEDC on March 19, 2024. Please see attached.

Please let me know if I need to appear to present any information on the timeline of our project.

Sincerely,

A handwritten signature in black ink that reads "Jennifer M. Cooke". The signature is written in a cursive, flowing style.
