Jeffrey Garrison, Chief of Police

Monthly Report to Village Council November 2024

Listed below is a breakdown of the activity conducted by the members of the Pinckney Police Department during the month of November 2024.

During the month, officers performed 124 Subdivision Patrols, 61 Building/Area checks, and 33 assists to other agencies.

All Michigan agencies are now required to complete various hours of training pertaining to Continuing Professional Education (CPE). We have fully complied with this new rule with our in-house training as well as training at external locations.

The new firearms were rolled out to the officers at the beginning of the month. This included the issuance of a new firearm and holster as well as training in the new sighting systems and proficiency testing. As expected, all officers passed without issue. Thank you again to the council for authorizing this expenditure. It will reduce the Village's liability as well as increase officer safety. These firearms will be serviceable for years to come.

Chief Garrison presented a 3 hour class to the Pinckney Library staff regarding response to active assailants. There was a presentation of information, Q&A, and physical walk-through activities.
