### Monthly Report to Village Council May 2025

Listed below is a breakdown of the activity conducted by the members of the Pinckney Police Department during the month of May 2025.

During the month, officers performed 129 Subdivision Patrols, 65 Building/Area checks, 27 assists to other agencies, and 113 Traffic Details.

The new training requirements for the state have been published. Virtual academy as well as the other classes we attend meet the Continuing Professional Education requirements. Subject control/De-escalation training will resume in Green Oak. Behavioral health course from the State of Michigan.

#### Traffic Update:

With the increased patrol activity focusing on traffic violations, we have cited a number of violators in target areas. This has caused a marked decrease in overall violations in the target areas. We will continue to focus on these areas.
