

POINTS

	'	POINTS
	Business Qualifications	
	Business Ownership	
Owner-Occupied Building	The Applicant, or at least one shareholder or LCC member of the Applicant, is an owns of the building where the Marijuana facility is located	
	25% ownership interest in building 50% ownership interest in building	1
	75% ownership interest in building	1
	100% ownership interest in building	1
	Possible total 4 points The Applicant, or at least one shareholder or LCC member of the Applicant, is an owns of the Business where the Marijuana facility is located	
	25% ownership interest in Business	1
	50% ownership interest in Business	1
	75% ownership interest in Business 100% ownership interest in Business	1
	Possible total 4 points	-
	Business Plan	
Owner Experience	Experience in Operating other licensed/regulated business	1
Ownership Structure	General business management experience Clear description of ownership structure and percentage ownership	1
Organizational Chart	Includes position descriptions and names of each person holding each position	1
	Provide a written description of training and education that will be provided to all employees. Describe the planned continuing education opportunities for existing employees.	1
Job Creation	Provide a written description of the method(s) for retaining records of all training provided to existing and former employees.	1
	An estimate of the number and type of jobs that the marihuana establishment is expected to create, and the amount and type of compensation expected to be paid for such jobs; Business Experience	1
Documented Business	busiliess Experience	
History	Nature and type of prior business and years operation	1
Business Diversification	Applicant holds other commercial license	1
Medical Certification Compliance History	Applicant holds other recreational or medical marijuana commercial licenses Owners/Business has not had a permit or license revoked (including any medical or recreational marijuana) by any state or municipality	1
	Owner / Business - No history of federal, state or local complaints	1
Business Litigation	Documented history or regulatory compliance at federal, state and local levels. Owner / Business has not been involved and is currently not involved in any business litigation	3
Current License	Applicant possesses a MRTMA or MMFLA state operating license of the same type applied for in this Application	1
	Financial Stability	
Financial Structure	Financial structure and financing plan of proposed marihuana establishment	1
	Explanation of economic Benefits/jobs creation in multiple permits are proposed, with supporting data	1
	Disclosed/documented capitalization at least \$300,000 Disclosed/documented capitalization at least \$500,000	1 1
	Disclosed/documented capitalization at least \$1,0000,000	1
Sufficient Einancial	Possible total 3 points CDA attacted financial statements attached	1
Sufficient Financial Resources	CPA attested financial statements attached Applicant, or any owners of Applicant haven't filed for bankruptcy in the last seven (7) years	1 1
	Applicant, or any owners of Applicant have not had IRS liens placed upon any financial accounts or property	1
	Community Impact & Outreach	
Applicant has	A plan to provide on-going public information programs to inform Village and Township residents of cannabis issues and proper/safe/legal use of cannabis products.	1
demonstrated and described:	Past acts of volunteerism and community involvement Past Acts of Volunteerism and Community involvement in Livingston County	1
	Commitment to support of local community programs, services, and/or events through financial, in kind, service, participation, or other contributions, or simalar methods, to	
	community based nonprofits, schools, govermental entities, or similar organizations that will enhance Pinckney and its surrounding area	3
	A community commitment program and volunteerism plan. A plan to meet with neighborhood, organizations, crime watch and other neighborhood organization to provide contact information for questions, concerns, issues etc.,	3 1
	A specific owner and or employee as a liaison with The Village of Pinckney.	2
Applicant has identified:	A specific owner and or employee as a liaison with Township and surrounding community	1
	Facility	
Applicant has identified: Building	Facility Applicant has provided rendering and/or blueprints or plans of facility as proposed to be used	1 1 4
	Facility Applicant has provided rendering and/or blueprints or plans of facility as proposed to be used Redevelopment of vacant commercial building Redevelopment of vacant land	1 4 2
	Facility Applicant has provided rendering and/or blueprints or plans of facility as proposed to be used Redevelopment of vacant commercial building Redevelopment of vacant land Adds streetscape elements (benches, bike racks, planters, etc.)	1 4 2 1
	Facility Applicant has provided rendering and/or blueprints or plans of facility as proposed to be used Redevelopment of vacant commercial building Redevelopment of vacant land	1 4 2
